

“Together we can  
win the race against  
mental illness!”

# A huge thanks to Targa Florio Australia and all competitors!

Thank you Targa Florio Australia for selecting One in Five as their official charity partner.

With one in five Australians living with a mental illness, we believe there is not enough funding for dedicated research on the causes of mental illness to find real answers.

By championing medical research, we gain deeper insights into how the brain works, which, we hope, will one day lead to better treatments and improved outcomes for even the most complex of mental illnesses.

Since 2003 One in Five have raised over \$2.8 million to fund novel research and support our bold and innovative researchers.

**But we know we have a long way to go...**

It's great that all participants at this year's Targa Florio Australia can now join in and help us win the race against mental illness!

Please display the sticker provided in a prominent position on your vehicle, so people can donate directly to One in Five.

Enjoy the Targa Florio Australia experience, and remember you are also driving for a great cause! So please drive carefully, give generously and have a lot of fun on the way!
